

## **Wondershare PDFelement 12– Lifetime Activation Guide (1 PC)**

### **Step 1 – Redeem Your License**

Go to: <https://www.wondershare.com/>

Sign in with your Wondershare account (or create a new one).

Once logged in, go to Account Center → Redeem Membership.

Enter your license key and confirm.

### **Step 2 – Download & Install PDFElements 12**

Go to the official Wondershare PDFelement 12 download page:

[https://download.wondershare.com/inst/pdfelement-pro\\_setup\\_full5239.exe](https://download.wondershare.com/inst/pdfelement-pro_setup_full5239.exe)

Download the installer for PDFelement 12.

Install and open the software.

### **Step 3 – Sign In & Activate**

Open PDFelement 12.

Click the Account/Profile icon (top-right corner).

**Select Sign In and log in with the same account you used for redemption.**

**The license will be automatically applied.**

☒ **Your Wondershare PDFelement 12 is now fully activated with a Lifetime License (1 PC only).**
