Step 2: Install

Enter License Number and Product Number the one you received after purchase.

The screenshot shows the 'Intuit QuickBooks Desktop Installer' window. At the top is the Intuit QuickBooks logo. Below it is the heading 'License and Product Numbers'. A text block states: 'You'll find these numbers on your original retail package or download notification email.' There are two input fields: 'License Number:' followed by four separate boxes, and 'Product Number:' followed by two separate boxes. Below these is a link: 'Locate your license/product number'. On the right side, there is a 'Sample download notification email' which is a screenshot of an email. The email contains a 'Download notification' section with the text: 'Great news! The software download is ready for: Heinrich Schumann, Steinman Inc.' and a 'Downloaded information' section with a table containing 'License number: XXXXXXXXXXXXXXXX', 'Product number: XXXXXX', and 'Customer account ending: XXXX'. At the bottom right of the installer window are 'Next >' and 'Cancel' buttons.

After that click next. Then follow further instruction.....

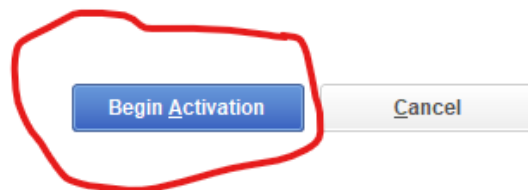

The screenshot shows the 'Intuit QuickBooks Desktop Installer' window at the 'Installation Complete' stage. It features the Intuit QuickBooks logo at the top left. In the center, there is an illustration of a laptop with a green checkmark on its screen, surrounded by green and yellow confetti. Below the illustration, the text reads 'Installation Complete' in a large font, followed by 'QuickBooks has successfully installed.' in a smaller font. At the bottom right, there is a blue button labeled 'Open QuickBooks'.

Next step is to click on Open QuickBooks.
